ÁLTALÁNOS TERMÉKBIZTONSÁG

Óvatosan kezelje a terméket, ne ejtse le, illetve ne tegye ki környebb káros hatásnak. Vigyázzon, a vízálló tok nélkül ez a termék nem vízálló. Ne érje víz a terméket, ne merüljön vízbe.

A nagyobb örizettség érdekében ne érintse meg a gombokat használat közben. A koncentráció elvesztése veszélyes lehet.

Ne szedje szét a terméket, mert megsérülhet és ezáltal elveszti szavatosságát. Ha a terméket rendkívül hideg időjárási körülmények között használja (-10°C-nál hidegebb időben), az elem halékonysága romlik és élettartama csökken.

KORLÁTOLT FELELŐSSÉG

A DECATHLON nem vállal felelősséget a magas kockázatú sportok során történő termékhasználatról eredő baleseteikről vagy sérülésekéről. A DECATHLON külön szeretné felhívni a felhasználók figyelemre, hogy ha veszélyes körülmények között használjuk a terméket, fennáll a kockázat, hogy elveszíthetjük koncentrálképességünket.

Figyelem! A felhasznáció felelőssége: vállal a termékkel készített képekért, azok megosztásáért és közzétételéért.

EK MEGFELELŐSÉGI TANÚSÍTVÁNY

A DECATHLON ezennel kijelenti, hogy a G-EYE 500 eszköz megfelel a 2014/53/EU irányelv lényegi követelményeinak és más fontos előírásainak.

Az EK megfelelőségi nyilatkozatot a következő weboldalon lehet megtekinteni: www.geonaute.com/en/eo-declaracion-conformidad
